According to the REACH Regulation, our suppliers are also obliged to inform us about any chemicals that are listed as notifiable in the current list of potentially hazardous substances (SVHC). If we receive information from our suppliers in this regard and become aware that the 0.1 % by mass threshold for an SVHC substance has been exceeded in our products, we will update annex of this declaration. To increase your protection as a customer, **ABB s.r.o. unit Elektro-Praga** proactively and on its own initiative asks all its suppliers at regular intervals to provide information about the possible use of such chemicals.
